STANDARD OPERATING PROCEDURE (SOP)

1. **PROPOONENT:** This SOP is established by the Chair of the Enlisted Association of the National Guard of the United States (EANGUS) Awards Committee. Submit suggested changes to this SOP to EANGUS National Office. Suggested changes will then be forwarded to the current EANGUS Awards Committee Chair.

2. **AUTHORITY:** This SOP provides guidance and establishes policies in accordance with the Bylaws of the Enlisted Association of the National Guard of the United States (EANGUS), Article VIII, pertaining to the Committee responsible for the recognition of individuals and organizations who, by superior performance or by distinguished service, make a major contribution to the wellbeing of EANGUS and the effectiveness and professionalism of the enlisted members of the National Guard of the United States.

3. **PURPOSE:** The purpose of this SOP is to establish guidelines for the submission, processing, review, and selection of recipients to receive EANGUS awards. An index of all available awards and a description of each award’s designated purpose, criteria, eligibility, nomination/selection process, and approval authority is included at Annex A. Additionally, this SOP clearly defines the timeline for submission and the duties and responsibilities of all individuals involved in the EANGUS awards process.

4. **DUTIES AND RESPONSIBILITIES:** The following is a list of duties and responsibilities of those individuals or groups involved in the awards process.

   a. Chartered State Associations or Individual EANGUS Members: EANGUS members or chartered State Associations may submit personnel for recognition by EANGUS in accordance with the criteria established for each award. Those submitting award nominations will ensure the award selected is appropriate for the accomplishment and/or service performed, and will ensure that the Awards Nomination Form is accurate and submitted to the Awards Chair by the stated deadline.

   b. EANGUS President: The EANGUS President will appoint the Awards Committee Chair and Vice-Chair(s) and provide guidance regarding specific awards, the performance of their duties, and expectations for the program.

   c. Awards Committee Chair: The EANGUS Awards Committee Chair will be the primary recipient of all award submissions, unless otherwise indicated. The chair will gather all nominations by the due date indicated for further review and approval by the appropriate approval authority. The committee chair will work closely with the EANGUS President, National Office staff, National Conference Chair, Publications Chair, and Legislative Committee Chair, and others to ensure appropriate ceremonies are conducted to
recognize selected awardees. Included in the Chair’s duties is the maintenance of a permanent record of all awards and major recognition items distributed annually on behalf of EANGUS; this list will be updated annually and forwarded to the EANGUS National Office for historical purposes.

d. Awards Committee: The Awards Committee consists of the Committee Chair, a Vice-Chair, and one Army and one Air representative from each of the seven EANGUS Areas. The EANGUS Awards Committee will review all nominations for awards at appropriate intervals, approve those awards which they have been delegated approval authority, and perform all administrative duties relating to the awards program while working under the general supervision of the chair. The EANGUS Awards Committee is responsible for making recommendations to the President for those awards that the President is the approval authority. The Awards Committee can be contacted via email at awards@eangus.org.

e. EANGUS Executive Council: The Executive Council is responsible for ensuring that the Awards program is funded appropriately each year. The Executive Council is also responsible for promoting all categories of awards listed in the EANGUS Awards SOP. This promotion will ensure all potential recipients are considered and that the program will further the professionalism of EANGUS members and enlisted members of the National Guard. Promotion will be accomplished by all means possible to include word-of-mouth, email solicitation to State Associations, and articles in EANGUS publications and other State Association or National Guard publications.

5. PROCEDURES:

a. The Award Nomination Form (Annex B) will be completed by any EANGUS member or chartered State Association wishing to nominate a person for an award based on the award descriptions in Annex A. The Publications Contest Entry Form (Annex C) will be completed for nominations for that program. Duty performance, accomplishments, or service should be reviewed carefully against the EANGUS awards criteria to ensure appropriateness for the award before submission. Generally, personnel should not be submitted for an EANGUS award when they have already received a similar award from the National Guard or another organization for the same act or achievement. Additionally, individual EANGUS awards will generally not be awarded more than once to the same person.

b. Completed Award Nomination Forms will be submitted to the Awards Chair at awards@eangus.org, or may be submitted using the online application form on the EANGUS website. The deadline for submission of EANGUS awards is established and published annually by the Awards Committee Chair but will generally be no later than 15 May of each year; unless otherwise specified in this SOP (i.e., Legislative awards and Publications awards). This annual awards deadline may be extended by the Awards Committee Chair as needed; however, no other exceptions will be granted and awards submitted late or incomplete will be returned without action.
c. Upon receipt of all awards nominations and after the annual deadline for submission has passed, the committee chair will arrange for review of the award nominations by the Awards Committee. The committee will approve/disapprove those awards which they have been delegated that authority, and will make recommendations to the President for approval or disapproval on all other nominations received by the committee. The committee chair will also forward appropriate nominations to the EANGUS President for approval. Unless otherwise noted, this review and approval process should be completed not later than 30 June each year in order to allow time for the awards to be ordered or prepared for presentation at the National Conference.

d. Awards approved by EANGUS will be presented on behalf of the membership. Presentations will usually be made by the President at the National Conference, Legislative Workshop, or at a suitable alternative occasion as determined by the President. If the President is not available, a suitable alternate may be designated to make the presentation.

6. EFFECTIVE DATE: The effective date of this SOP is 11 November 2017. This is the first edition of the EANGUS Awards SOP. This SOP supersedes the previous We Care for America Awards SOP and all previous operating instructions or documents that conflict with this guidance.
